

# AUGUST

## Hello All

The children have turned into dinosaur experts and they enjoyed learning about each dinosaur in July. The children have been busy in class doing art, practicing their writing and learning how to count. The children have had a lot fun playing playdoh, making bubbles, and creating new friendships with one another.

*We are so grateful for your dedication and support! We have five more weeks left of summer Camp before fall semester begins. We hope that you enjoy the rest of your summer!*
