

Hello Everyone,

Friendly Reminder

Welcome

Our summer session is off to a great start. The children have enjoyed learning about lady bugs, spiders and the life cycle of bees and butterflies. We are doing many arts and crafts in addition to the Montessori Lessons. The children have enjoyed the sunshine while creating games to play outside. We appreciate their excitement and enthusiasm towards learning.

It is getting **HOT** outside. Remember too:

1. Dress your child in layers
2. Put sunscreen on at home
3. Send your child with a water bottle.

Welcome to our Primary Class Ariana! Ariana is three years old, her favorite color is **pink** and she enjoys playing doctor, watching Moana, and taking care of her pets.

July Themes

July 3rd-July 14th -Insects
July 17th - July 28th- Dinosaurs

If your child will be absent, please call and leave a brief message to let us know (707)647-1066.

San Francisco, CA 94118

Sharing

If your child has a cool dinosaur book or a puzzle at home, we would love for him or her to share the book or the puzzle with the class. We will be sharing the books during circle time daily.

Reminder to send your child to school with closed toed shoes. We do not want your child to hurt their feet while playing on the play structure. If possible, please send your child to school with shoes he or she can put on independently.

Thank You for your Dedication and Support!
