

## Academics

**Science:** Primary color wheel; we will be working with primary colors and learning what colors they make when they're mixed

**Math:** Bead stairs; 1-10

**Culture:** Antarctica

**Sensorial:** Color Sorting

**Language:** Writing lines (horizontal, vertical, diagonal) and letter recognition

**Geography:** How to say "I Love You" in different languages and recognizing the country or continent they are from

## T-K Program/Open House

We want to thank all the parents that will have a kindergartener in a few months that were able to attend our kindergarten transition meeting. For those parents that were unable to attend, we want to invite all primary families to our OPEN HOUSE this Friday, Feb. 8<sup>th</sup>. You're more than welcome to bring family, friends, and any guest to come tour our campus. You'll also have the chance to talk to all teachers.

## Put in your Calendars

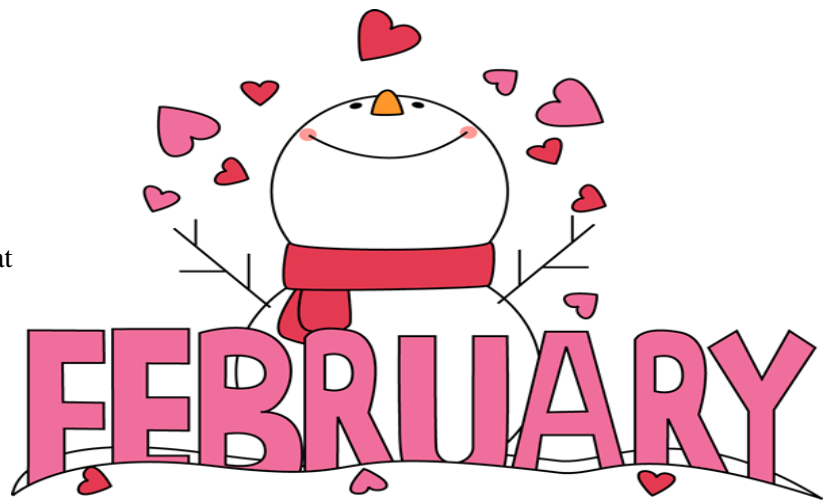

Friday Feb 8<sup>th</sup>—Open house/Mixer 3:00-5:30pm

Monday Feb 18<sup>th</sup>—No School; Presidents Day

Thursday Feb 14<sup>th</sup>—Valentine's day

## Friendly Reminders

- Enter the classroom using **quiet voices** to be as least disruptive to the rest of the students already in the classroom
- Please remember that we ask students nails to be trimmed to minimize the risks of catching on rugs, classroom materials and our friends.
- Please check your mailbox every day as important communication from home to school is added throughout the week. Please note some

**Practical Life:** Sewing shapes using burlap, blunt plastic needle and yarn

mailboxes are located on the office door.

- Please pick your student up to as close to their assigned pickup time to avoid any additional fees and allow students to transition properly.
- Please call/email with an appropriate time notice if your student will be dropped off/picked up late.
- For students that stay until 3 or later, please remember to take blankets and pillows home on Friday to be washed and are to be brought back when the student returns to school, at drop off

*Thank you all for all your support!*

## Valentine's Day - Thursday, Feb. 14<sup>th</sup>

We will review the elements that we appreciate in others and how to be caring, kind, and thoughtful friend.

Students are welcomed to bring cards or goodie bags filled with their choice of items. There are 30 students total and we want to make sure each child receives one. Please make sure they are unaddressed so it is easier for the children to pass out independently.
