  - A waiver can be submitted if you would like staff to reapply sunscreen; you must provide the sunscreen and it will remain at school. This is *highly encouraged* as we anticipate a very hot summer season this year. **NO AREASOL CANS; squirt spray bottle, squeeze tube, and bottle are okay.**
- Students must bring **water bottles** every day; they must be filled with water
- **Dress students accordingly for the changing weather conditions (currently hot).** Please layer your student if they are wearing a long sleeve shirt on a **hot day** so we can remove the long sleeve when they are hot and sweaty outside; loose, long sleeves of a breathable fabric (like linen) are okay. Students go outside everyday if the weather permits.
