Parent Teacher Conference

Primary parent teacher conferences will be held Monday Nov. 29th- Dec. 3rd. Conferences will be held via zoom. Times and dates will be assigned to each family and can **not** be changed/rescheduled. Conferences **will** strictly be 15 minutes. Progress reports will be given after conferences.

Snuggle Season Reminders

- As we transition into colder weather, we ask all parents to assure your student brings a sweater to school every day.
- **Any student showing signs of illness must stay home.** Please notify us via Brightwheel if your child will be absent, each day they will be absent.
- For absences, please remember that we ask you to clarify if your child will be absent due to illness.
- All students must be free of fever, vomiting, and diarrhea for a **minimum of 24 hours** without the assistance of medicine before returning to school.
- Additionally, excessive runny noses, coughing, and congestion should be monitored and taken into consideration if the child is well enough to attend class—students may be sent home **regardless of symptoms due to allergies**. All students should be able to fully participate in their whole day at school.
- **All students are required to have extra masks in their lunch boxes.** The school is only able to provide extras when donations of children's masks have been received—we are currently all out of extra masks.
