

Primary Newsletter

February 2015

This month we are learning all about community helpers, and we are so lucky to have so many parents volunteer to discuss their careers during circle time! This will be a fun treat for the kids! Additionally, we have a **CHP officer** visiting our school on the 13th to discuss the importance of being belted in properly. Parents are welcome to attend this, and the officer will be here promptly at 10:00. We also have a walking field trip to the **Safeway Bakery on the 27th**. Look out for the sign up sheet for volunteer parents to walk the children down.

Of course, **February** is the month of **Valentines Day**, so we will be doing many art projects with this theme.

Plus it is Chinese New Year this month. The Year of the Sheep. So look out for works in the classroom reflecting this.

We are learning about:

- *Letters E, F, G, H
- *Love, and different ways we show love for our family and friends
- *Community Helpers, and how they benefit our world
- *Chinese New Year

Please Note:

We appreciate those of you who bring your child to school on time. When your child arrives late, they miss vital class time, and this disturbs the concentration of the students. Please respect your child's needs by arriving on time.

New Students:

January: Colton, Journey

February: Isabella, Aria, Gianni, Arnav

Welcome back: Keerat

No School:

Monday: February 16th- Presidents Day

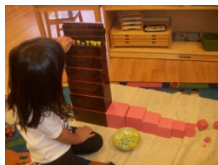

Important Dates:

Friday, February 13th - CHP officer visit @ 10:00

Friday, February 27th - Bakery Field Trip Visit @10:00

One test of the correctness of educational procedure is the happiness of the child.

~Maria Montessori

***Please note:** More pictures like this can be found on our Facebook **Napa Valley Montessori Parents** page, run by our very own, Joy Hilton. Please feel free to "friend" Joy Hilton, then request to be added to this **private, parents only group**, to view our classroom

pictures. Please see Miss Esther for any questions.
