Dear Prospective Family,

Congratulations on your decision to join the Napa Valley Montessori. We look forward to meeting with your child and getting to know your family. As you go through our admissions process, you will learn more about our programs, the Montessori philosophy of education and ways you can take part in our thriving school community. It is our hope to make this transition for your child and your family a positive and inviting experience.

Once your application is received, we will contact you to set up a time to come for classroom visit and enrollment interview. Additionally, we will send you a new student information form via email for you to fill out and bring on the scheduled date. During the classroom visit and interview, your child will be able to see and explore the classroom environment. The head teacher or director will ask you some questions to help us get to know your child better. The teacher will work briefly with your child to develop trust, assess readiness and determine his/her interests. The interview is also a good time for you to ask questions about our programs and the Montessori approach to learning.

As spaces in our classrooms become available, we will inform you and determine an agreeable time for your child to embark on his/her Montessori journey. If you would like your child to be added to our waiting list for future enrollment, please specify the general time you would prefer to start on your application and we will try to accommodate you within the limits of our programs. The Napa Valley Montessori classrooms are integrated by age, sex, ethnicity, race and religion to create a caring, amicable and engaging school community.

“Education is a natural process carried out by the child and is not acquired by listening to words but by experiences in the environment.”- Maria Montessori

We look forward to working with your child and your family. If, at any time, you have additional questions please email: info@napavalleymontessori.com . We will do our best to get back in a timely manner and address your needs. We hope to see you soon!

Sincerely,

The Napa Valley Montessori Team
