New Students: Gillean and Genelle

Happy August to all of our Montessori students, families, and faculty! We have had a fun filled time this summer so far, and have explored the ocean, the dinosaur world, and are now learning about all the various modes of transportation in the month of August. From rocket ships, to trains, to motorcycles, your child will be working with many transportation-themed materials this month.

Looking forward to seeing you all at the Open House! Ms Esther, Ms Tez, Ms Alecia and Ms Adriana 😊
