May Newsletter

Put in your calendar:
May 25th 2020- No School
Memorial Day

Reminders

Sunscreen & Water Bottles Everyday

With the weather changing, we ask that all parents put sunscreen on their student **prior to coming to school**. Also be sure your student brings a water bottle filled with water to school every day.

Notify in Advance

Please notify the school in advance if your child will be picked up early or absent.

Sign-in/ sign-out

When checking in, please make sure to click: Add Signature, sign and then click confirm. **IF you do not confirm your student will not be marked present and you will not be able to check-out later on.**

Trim Nails

Please remember that we ask that students nails be trimmed to minimize the risks of catching on rugs, classroom materials, and our friends.

Screening

Daily screenings will continue to happen in the morning. As a reminder, we take your students temperature daily and monitor any cold like symptoms while keeping a record of it.

Conferences

We will be sending out the link for our Zoom meetings regarding conferences.

Elementary Classroom Message from Mr. B

Members of the Galaxy, May 4 is Star Wars Day, join us as we celebrate The Force. As it is said, May the Force Be With You. And since is May 4, May the 4th be with you. Choose a favorite Star Wars Universe character, a Jedi, a Wookiee, a Droid (R2D2, 3PO, BB8), even the Empire's Darth Vader. Color, create, draw, cut or print. Post or keep to bring to school. Have your picture taken, put on a Star Wars outfit, mask, head gear, hold your Jedi Light Saber. Imagination rules. We rule with our talents, May the Force, and the 4th be With you.

We also need to honor our Front liners, Health Care Workers, First Responders, Military, Police, Paramedics, Food and Basic Services. Let's make a poem, poster, a card, any gift to show our love, thanks and appreciation. And of course, bring out the flowers, the fireworks, the hugs for the heroes, our MOMS, it's Mother's Day!!!! Color their world with your songs, letters, artwork, baked goodies, breakfast in bed! Moms are the greatest!

Week One	May Primary Lesson Plan	Week Two
Language: yY Writing/Spelling: Sight words, number practice Sight words: at, mat, sam, sat Math: Primary: 40-50 TK: Subtraction Sensorial: Using the number rods to make shapes Science: Animals in South America Cultural: South America	Language: qQ Writing/Spelling: Sight words, number practice Sight words: at, mat, sam, sat Math: Primary: 40-50 TK: Subtraction Sensorial: Using the number rods to make shapes Science: Animals in South America Cultural: South America
