

January

Dates to Remember

- NO SCHOOL -Monday Jan 18th, 2021
Martin Luther King, Jr. Day

Hello 2021!

Happy New Year! We hope you and your family had a wonderful winter vacation. We are excited to have the children back in school. We surely have missed them. January is going to be a busy but fun Month.

Friendly Reminders

- As we transition into cold weather, we ask all parents to assure their students brings a sweater to school as well as a water bottle every day.
- All students must bring appropriate shoes to school that allow them to play. This means their shoes must have Velcro straps or be slip on. If the shoes have shoelaces without additional straps or zippers, the student must know how to tie their shoelaces. Rain boots are welcome if students have additional indoor shoes.

IMPORTANT:

- We ask parents to please refrain from pulling the door until it clicks and unlocks; Additionally, please close the door completely when leaving to ensure the safety of our students. Although it is courtesy to hold the door open, **please do not hold the door open for anyone** as each family has their own individual code; we are asking families to keep 6 feet apart when possible; and this is a **safety precaution** we take as a school.

Donations

- Cleaning supplies

Special THANK YOU to Madeline and Dakota's family for the donations that have been brought in. We deeply appreciate it!
