Friendship Celebration

We will review the elements in which we appreciate in others and how to be a caring, kind, and a thoughtful friend.

Students are welcome to bring cards or goodie bags filled with their choice of items. There are 12 students total and we want to make sure each child receives one. Please, make sure they are unaddressed, so it is easier for teachers to pass them out. **No homemade baked goods.** More info will be sent through Brightwheel.

Donations

We would like to thank all of the families that have donated cleaning supplies, we truly appreciate you and thank you for helping us keep our students, classroom, and community safe and healthy.

Thank you again.
