## Curriculum Plans for August

The month of August is our last month of summer curriculum. We have started the summer strong and have had a lot of fun. We will be starting by going on a jungle safari, then diving into the water for an under the sea experience. We will come up for finding buried treasure and learn how to walk the plank. August will end before man walked the earth and dinosaurs ruled the land.

We have welcomed many new friends throughout the summer and played with many new toys. The children have been loving the art projects and funny songs that go with each theme. We will continue to bring this fun and loving energy to Napa Valley Montessori.

## Important Reminders

- We request that you do not send candy in your child's lunch box. We like the children to come with healthy items in their lunches and save sweets for birthday celebrations.
- Label all of your child's personal belongs, especially jackets so they don't end up in the lost and found.
- Please make sure your child comes with a reusable water cup daily with their name on it. We like to do our part to keep the earth safe and we don't have extra cups.
- Make sure to send your child with closed toed and closed back shoes. The children do not like getting bark in their shoes and stubbed toes are the worst.

## Important Dates

- NVM Closed – Thursday, August 31st for a Teacher in Service Day
- NVM Closed – Friday, September 1st for a Teacher in Service Day
- NVM Closed – Monday, September 4th for Labor Day
