

NAPA VALLEY MONTESSORI

July Newsletter

* RECAP

* We are thrilled to share the exciting news from Napa Valley Montessori. Last month was a little extra special as we celebrated the graduation and moving up ceremony of our wonderful students. Join us in congratulating these amazing little graduates who are ready to embark on their next big adventure. We are incredibly proud of our graduates for all their hard work, growth, and accomplishments throughout their time at NVM. Watching them learn and blossom has been a joy for all of us. Cheers to our 2024 graduates!

IMPORTANT REMINDERS

- **Summer Safety** - Ensure your child has a water bottle and sunscreen to stay cool and protected from the sun this month.
- **Label Belongings**- To avoid mix-ups, please label your child's belongings, including clothing, lunchboxes, and water bottles.
- **Heat Advisory**- As you all may already know, there is an extreme heat advisory for Northern California. Please ensure your child stays hydrated at this time. We will be taking extra precautions at school to keep our environment cool and our children safe.
- **Backpacks**- Please refrain from bringing backpacks to school unless absolutely necessary. Children only need to bring their lunch and water bottle.

IMPORTANT DATES

- July 3rd**- we'll celebrate with patriotic crafts, songs and a mini parade. Dress your little ones in red, white, and blue
- July 4th**- campus is closed

CURRICULUM HIGHLIGHTS

- Week 1: Popsicles and Fireworks**
We will make fireworks crafts, have a mini parade and enjoy popsicles.
- Week 2: Shark Week**
Dive into learning all about different shark species.
- Week 3: Under the Sea**
We'll continue to learn about under water creatures and their habitat.
- Week 4: Outdoor Science**
Children will get to plant their own seeds to start our garden.
