

JULY NEWSLETTER

This Month at NVM

Summer has arrived and we're ready to kick off an exciting July full of imagination, exploration, and hands-on learning at our NVM Summer Camp! Each week, we'll dive into a brand-new theme designed to spark curiosity and creativity in your little ones. Here's a look at what's ahead:

Week 1: Firework & Fourth of July

We're starting this month with a bang as we celebrate Independence Day! The children will be making festive fireworks-inspired art and learning about the meaning behind the Fourth of July. It's sure to be a colorful and creative start to summer!

WEEK 2: CAMPING OUT

Get ready to "camp out" preschool-style! This week we'll go on a bear hunt, learn about outdoor activities like fishing, hiking and birdwatching, build pretend tents, and gather for storytelling around our imaginary campfire.

UPCOMING EVENTS:

4th of July

School Closed

Week 3: Jurassic World

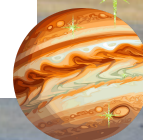

Calling all dinosaur explorers! We'll travel back in time to learn about all kinds of dinosaurs - what they ate, how they lived, and how big (or small!) they really were. Expect lots of dino stomping, digging, and discovery!

Week 4: Jungle Cruise

We'll head into the heart of the jungle to learn about wild animals like monkeys, tigers, parrots, and more. Through stories, songs, and sensory play, we'll explore what it's like to cruise through a tropical rainforest.

Week 5: Outer Space Adventures

To wrap up July, we'll blast off into space! The children will use their imaginations to gear up for a space shuttle mission to the moon while learning all about the planets, stars, and astronauts.

Reminders

Please remember to register for the new school year (starting September 2nd) before **July 25th** to get **\$25 off** of the annual contract fee of \$200.

- Every Friday is free-dress day and Show & Tell. Your child can wear their favorite outfit and bring an item from home to introduce to their classmates.

- Please make sure your child has a clean change of clothes in their cubby each day.
- No NUTS at school. We have children with severe allergies to nuts, so please refrain from sending food items containing nuts so we can keep everyone safe.
- Please remember to provide baby wipes and pull-ups if your child is in the process of being potty trained.
