OUR LAST MONTH OF SUMMER!

Dear NVM Families,

It's hard to believe we're already in our final month of summer! July flew by in a blur of sunshine, discovery, and joyful learning. As we move into August, we'll continue to enjoy these warm days together while preparing for the exciting transition into the school year ahead.

Throughout the summer, the children have been fully engaged in our weekly themes as well as hands-on Montessori activities that support independence, focus, and coordination. Whether watering plants, sorting objects by size, or practicing practical life skills, each child has been building a strong foundation for future learning in a calm and purposeful environment.

As we look ahead, we know we'll miss some of our friends who are moving up and heading off to kindergarten. It's been such a joy watching them grow, and we're so proud of all they've accomplished. At the same time, we're thrilled to welcome many new friendly faces to our Napa Valley Montessori family—we can't wait to get to know you all!

Daily Essentials

PLEASE SEND YOUR CHILD TO SCHOOL WITH:

- Sunscreen
- A water bottle
- A change of clothes
- Healthy snacks and lunch

(Please avoid packing candy—many children are skipping their nutritious options when treats are included.)

- Pull-ups & Wipes

If your child uses pull-ups, please provide extras along with wipes. Check in with us to see if your child is running low.

Reminders

Toys from Home

To help keep our classroom focused and peaceful, we ask that toys from home be limited to **FRIDAYS ONLY** and bring items that fit inside your child's backpack.

Larger items should stay at home.

Lost & Found

Our lost and found is full of well-loved items! Please take a moment to check for anything your child may have left behind.

Fridays = Free Dress + Show & Tell!

Every Friday, children can wear free dress and bring one small item from home to share during Show & Tell. It's a wonderful way for them to build confidence and express themselves.

We've had such a beautiful summer together and are so proud of all the growth we've seen. Thank you for sharing your amazing children with us—we're savoring every last bit of summer before we head into a fantastic new school year!

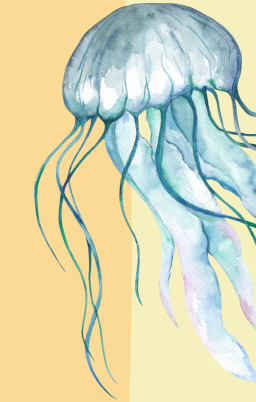

themes this month:

Week 1: Carnival

Week 2: Under the Sea

Week 3: Insects & Bugs

Week 4: Archeology
