

MARCH 2026 NEWSLETTER

Dear Families,

Spring is almost here and we are ready to grow, explore, and dig into some hands-on fun! March brings fresh air, brighter days, and lots of exciting learning adventures in our classroom. This month is all about growth, rainbows, stories, and gardening discoveries!

Our March Adventures

We will be looking for signs of spring and will be exploring:

- How plants grow (from tiny seeds to beautiful blooms!)
- Garden helpers like insects
- Changing weather patterns
- Caring for our environment

The children will plant seeds, observe nature, go on mini outdoor explorations, and create colorful spring art inspired by what they discover. 

Upcoming Events

- **Mar. 6:** Picture Day
- **Mar. 17:** St. Patrick's Day
- **Mar. 26-27:** Spring Break
(SCHOOL CLOSED)
- **Mar. 31:** Cesar Chavez Day
(SCHOOL CLOSED)

Birthdays

- Mar. 1:** Camilla turns 4
 - Mar. 6:** Iyla M. turns 4
 - Mar. 16:** Lina turns 4
 - Mar. 26:** Solenn turns 4
 - Mar. 29:** Anthony E. turns 5
- 

Garden Donations

If you would like to help our garden bloom, we are happily accepting:

- Seeds
- Soil
- Pre-grown plants
- Child-sized gardening tools

Thank you for helping us grow something beautiful together!

Classroom Highlights

Practical Life: Watering plants, flower arranging, preparing our garden beds, and caring for our outdoor environment

Sensorial: Exploring spring textures, sorting natural materials, and color matching with spring hues

Language: Spring vocabulary, story telling, rhyming fun and beginning letter sounds (Tt, Uu, Vv, and Ww)

In celebration of Read Across America and Dr. Seuss, if you have a special, funny or silly Dr. Seuss book, please encourage your child to bring it for circle time throughout the month of March. We would love to enjoy their favorite stories together!

Math: Counting seeds, sorting by size and color, number recognition, money and coins, and simple addition for our older learners

Cultural Subjects: Learning how rainbows are formed, exploring the continent of Europe, and discovering how different cultures welcome spring.

Reminders

To help keep everyone safe and healthy:

- Please make sure the front door closes completely behind you when entering and exiting.
- Send healthy, nutritious food and drinks. No nuts, candies and chocolates, please.
- Please send in an Emergency Preparedness Comfort Kit to school for your child, if you haven't done so yet. For more information about what items to include in the kit, see the Emergency Preparedness Comfort Kit flyer.

Thank you for helping keep our school community healthy and well.

Montessori Moment

Spring is a beautiful time for real life learning in the Montessori classroom. When children care for plants, observe nature and take responsibility for their environment, they are building independence, concentration and respect for the world around them.

And that's something worth growing. 

We are so grateful for your support!

Warmly,
Your Napa Valley Montessori Team
